

Technical drawing of the Bosch HBB4660S00 oven, showing front and top views with dimensions M and H.

The technical drawings illustrate the dimensions of the E2000 unit. The top drawing is a front view showing the overall width (A), height (B), and depth (C). It also indicates the distance from the left edge to the main body (E) and the distance from the bottom edge to the main body (F). The bottom drawing is a side view showing the overall width (A), height (B), and depth (C). It also indicates the distance from the left edge to the main body (E) and the distance from the bottom edge to the main body (F). The dimensions are labeled as follows:

- A: Overall width
- B: Overall height
- C: Depth
- D: Distance from top edge to main body
- E: Distance from left edge to main body
- F: Distance from bottom edge to main body
- G: Distance from top edge to main body (side view)
- H: Distance from bottom edge to main body (side view)
- I: Distance from left edge to main body (side view)
- J: Distance from right edge to main body (side view)
- K: Distance from top edge to main body (side view)
- L: Distance from bottom edge to main body (side view)
